Mr D. Tredgett  
Parish Clerk  
Hensall

Dear Mr Tredgett

**Coal Mining Subsidence Act 1991 – U.K. Coal Subsidence Claims**

I am writing to inform you that all coal mining subsidence damage claims that were formally being managed by U.K. Coal are now being administered by the Coal Authority.

All issues relating to claims and all future correspondence should now be sent to the Coal Authority at the above address.

The Coal Authority will look to repair land and properties as and when all affects from mining have finished in the Hensall area.

This will mean that works in certain areas will commence before others but I will discuss this with you in more detail at your Parish Council meeting in May.

I trust the above is of assistance to you but should you have any immediate concerns, please do not hesitate to contact me.

Yours sincerely

**Lee Cammack**  
**Principal Project Manager**
