The Impact on Hensall can be summarized as follows :-

Local Development.

Two sites for development are listed, as shown on the plan, these are :-

| | | |
|-------------|--------------|---------------|

| Hensall – L | Wand Lane | 57 properties |

All of the other sites on the plan were rejected.

Planning Policies

Currently Hensall is split in planning terms to Hensall North and Hensall South with a Strategic Countryside Gap on Station Road separating the two.
